## Itinerary

### Day 1 – Saturday 24 October 2020 – Barcelona – Depart 1700

Arrive independently into Barcelona and board Seabourn Odyssey early afternoon. This evening, meet your fellow tour participants for an early evening cocktail followed by dinner in the main restaurant. Thereafter, dinners are on an independent basis.

### Day 2 – Sunday 25 October 2020 – Sea Day

A relaxing day at sea allows you to experience the many on-board facilities which Seabourn Odyssey has on offer.

### Day 3 – Monday 26 October 2020 – Malaga – In Port 0800/2300

Malaga is the main port city of the Costa del Sol and is famous for having over 100 golf courses within acceptable driving distance. For those choosing not to golf today, Malaga is an interesting port city to explore with many wonderful attractions, including the Pablo Picasso Museum.

**Golf:** we will play **Chapparal Golf Club**, located on the coast, 40 km west of Malaga. The course is rated # 36 in Spain and is considered a great layout being wedged

between the sea and mountains and played through a pine forest with many elevation changes. The course is relatively unique with 6 par 3, 6 par 4 and 6 par 5 holes. Apart from its ranking, a key factor in its selection was the less than 45 minutes coach drive from Malaga. .

#### Day 4 – Tuesday 27 October 2020 – Tangier – 0800/1700

This morning we arrive at the port city of Tangier, located at the southern entrance to the Straits of Gibraltar. For those not golfing, the city offers a taste of Morocco in this exciting gateway port.

**Golf:** today we travel only a short distance outside of Tangier to the **Royal Country Club of Tangier**, founded in 1914, and redeveloped in 2001. This is one of the oldest courses in Africa and features a par 70 layout of over 6,000 metres.

#### Days 5/6 – Wednesday/Thursday 28/29 October 2020 – Casablanca – 0800/ (overnight) 2300

Once but a small fishing village, Casablanca is now a city with a population of over 4 million people and is the largest port in Africa. Its growth commenced with the French arrival in 1912 and accelerated after Morocco's independence in 1956. It retains a strong French influence with French readily spoken throughout the country and is not to be confused with Spanish Morocco, which borders to the south and was annexed only relatively recently. Casablanca is doubly famous for its part in the Allied sea invasion in November 1942, and for the Casablanca Conference, between Churchill and Roosevelt, in January 1943. The Medina, the quaint old Moorish quarter of the old town, is a favourite place for exploration. Our two long shore days in Casablanca will permit plenty of time to both discover the city and golf. Morocco is a mecca for many fine golf courses since golf is a favourite sport of the kings of Morocco, following independence. For many years, the European PGA has regularly held a main tour event here.

**Golf – Wednesday** - Today we offer golf outside of Casablanca when we drive down the coast to play the **Magazan Beach Golf Course**, the magnificent links course designed by Gary Player. This lovely resort course runs along the Atlantic coast and is ranked number 3 in Morocco. It is a 1 hour 20 minute (100 km) drive mostly along a dual carriage freeway giving a great view of the Moroccan countryside.

**Golf – Thursday** – Today we visit the **Palmeraie Country Club** and play the **PalmGolf Casablanca Golf Course**. The club is located within Casablanca itself and is a less than 30 minute drive from the port.

#### Day 7 – Friday 30 October 2020 – Day at Sea

After 3 days experiencing Morocco we have a relaxing sea day travelling south west from Casablanca to the Canary Islands.

#### Day 8 – Saturday 31 October 2020 – Arrecife, Lanzarote Island (Canary Islands) 0800/1800

Today we are in Arrecife, the capital of Lanzarote and the northernmost of the various islands forming the Canary Islands, all part of Spain. Lanzarote is known as the Volcano Island.

**Golf** – today we play **Lanzarote Golf Club**, one of two 18 hole golf courses on Lanzarote, offering spectacular views out over the Atlantic and to nearby islands. The course has been recently developed and was designed by Ron Kirby, the chief project designer of the Jack Nicklaus group.

**Day 9 – Sunday 1 November 2020 – San Sebastian, La Gomera (Canary Islands) 0900/1700**

San Sebastián de La Gomera is the capital of La Gomera, one of Spain's Canary Islands, and a stop along Christopher Columbus' Voyage of Discovery to the new world. Seabourn Odyssey berths in the port of San Sebastian, a 40 minute car ferry ride from the main island of Tenerife.

**Golf** – today we play **Tecina Golf Club**, rated the 3<sup>rd</sup> best course in the all the Canary Islands. Many holes overlook the cliffs, offering spectacular sea views.

**Day 10 – Monday 2 November 2020 - Santa Cruz De La Palma (Canary Islands) – 0700/2200**

Santa Cruz de La Palma is the capital city of the island of La Palma, in Spain's Canary Islands. It's known for its centuries-old architecture, cobbled streets and busy port which you'll have a chance to explore, with no golf available today (a function of no golf courses on La Palma).

**Days 11/12 – Tuesday/Wednesday 3/4 November 2020 – Santa Cruz, Tenerife (Canary Islands) 0800/overnight/1200 midday**

This morning we sail into the port city of Santa Cruz de Tenerife, on the island of Tenerife. Tenerife, the largest of the 7 main islands which form the Canary Islands, has long been a major European tourist destination and now offers 7 x 18 hole golf courses. Mt Teide, the highest mountain in Spain (and nearly twice the height of the highest mountain in Australia), is located on this hilly island. We have time plenty of time to both golf and explore Tenerife, due to an overnight stay.

**Golf:** Today we play **Golf del Sur**, the 4<sup>th</sup> ranked golf course in the Canary Islands and the number 2 ranked course on Tenerife.

### Day 13 – Thursday 5 November 2020 – Funchal (Madeira), Portugal 0800/1800

After sailing 500 km north of the Canary Islands we will arrive today at the island of Madeira, to the famous port city of Funchal, the 6<sup>th</sup> largest in Portugal. Discovered and settled by Portugal in the fifteenth century, the island of Madeira has always been famous for its sugar plantations and wine industry however, due to its idyllic climate, tourism is now the biggest industry.

**Golf** – today we travel less than 30 minutes to play **Club de Golf do Santo da Serra**, the leading golf course on the island of Madeira. This Robert Trent Jones Senior designed course was opened in 1991 and is now ranked in the top 20 courses in Portugal. The course offers a 27 hole layout with many elevation changes and hosts an annual tournament as part of the European PGA tour.

### Day 14 – Friday 6 November 2020 – Day at Sea

Say goodbye to 6 days in the Canary Islands and today enjoy a leisurely sea day as we cruise back to Lisbon, on the European mainland. Please join us today for a farewell lunch, with tour awards, in The Restaurant.

### Day 15 – Saturday 7 November 2020 – Lisbon (Portugal) – Arrive 0700

After a relaxing overnight cruise, we will berth early morning in Lisbon. Enjoy your last chance for a leisurely breakfast, before bidding a final farewell to new friends and old.
