Trendsetter Travel & Cruise Centre welcomes you joining us on this spectacular 11 night Copenhagen to Stockholm cruise, including 2 nights pre cruise in Copenhagen and 2 nights post cruise in Stockholm. Our tour includes up to **10** games of golf and you can choose which games of golf you wish to play, whether this is just **1** game or all **10** games. Golf includes play at three of the top seven ranked golf courses in Sweden (significant given Sweden has 662 golf courses) and the #1 ranked courses in Denmark, Finland and Estonia. You also have the opportunity to play both of St Petersburg's recently opened championship standard golf courses. In addition, our tour offers golf in Germany and Poland.

Our home-away-from home, the 848 guest Crystal Symphony, was substantially refurbished in 2017, and is a luxury ship offering the highest standards with complimentary select fine wines and premium spirits, unlimited wifi, inclusive of gratuities, superb culinary experiences in both the main and specialty restaurants, and excellent enrichment and entertainment possibilities. Our tour is timed perfectly to experience the long daylight hours of the Baltic ports when the sun will not set until after 10 pm at all ports. This makes for excellent cruising each evening while dining at magnificent restaurants on board Crystal Symphony or eating off the ship in both Copenhagen and Sweden, two of the most scenically attractive cities in Europe.

What could be more enjoyable than sightseeing, and swinging your clubs, in some of Europe's most beautiful ports? Golfers with non-playing partners can enjoy their games, knowing those partners are having an equally fine time checking out the sights, or relaxing onboard. Even with a golf option, there is still plenty of time to enjoy the various ports with long shore days. As a single

or a couple you will have a fine time on this fabulous cruise itinerary. For a limited time only, singles can have their own stateroom at a premium from 27.1% over the share twin pp room rate.

Apart from your cruise fare, our 4 night pre and post-cruise hotel component costs Euro 1,000 pp on a share twin basis. This package includes breakfast, hotel to ship and ship to hotel transfers, welcome drinks and our farewell dinner with drinks. The golf is priced from Euro 225 pp/round and includes shared motorised cart, green fees, coach transfers, prize money and complimentary drinks post golf. Unique among the world's luxury golf cruise operators, we structure our golf programmes to satisfy those golf enthusiasts who can never play enough golf and also those who wish to play selective golf games and leave some time to explore the many interesting places our cruise will visit. Our highly inclusive golf programmes are priced at less than half the cost of our international luxury cruise ship competitors.

Our Crystal cruise includes:

- Complimentary beverages
- All restaurants plus in-suite dining
- 24 hour room service
- Complimentary unlimited Wi-Fi
- Return transportation pier to town
- US\$250 pp on-board credit
- and much, much more
