However, the above pricing assumes you take advantage of the Early Booking Bonus (EBB) which applies a 10% discount on the cruise fare when paid in full by 31 August 2021 (or such later date if extended). Payments for the Silversea fare can be made by credit card without surcharge. The Silversea cruise fares are subject to future change (almost always upwards) until the deposit is paid but are likely to remain fixed up until 31 August 2021.</p>			
<p>Silversea's cancellation policy is stated in the current web page link - https://www.silversea.com/temporary-amendment-to-cancellation-policy.html . While we encourage you to read, the key terms (at least for bookings made up until 31 May 2021) are that full refunds (less \$250/suite admin fee) are available for cancellations made up to 120 days from departure (regardless whether paid in full) and for cancellations made inside 120 days (but not less than 30 days from departure) full cruise credits are available. Where Silversea cancels a cruise, a full cash refund or 110% cruise credit is currently offered. Cash refunds are now made within 60 days of any cancellation where request for a cash refund rather than a cruise credit.</p>
