Trendsetter Travel Golf Tours Releases an exciting 17 Night Golf Tour staying in Rome during the play of the Ryder Cup 2023 Challenge

Early-bird golfers score the best itineraries and when it comes to the Ryder Cup 2023, Trendsetter Travel Golf Tour's is sure to sell quickly. By moving early, TTGT has secured excellent luxury 5-star accommodation in Rome at the well located **InterContinental Rome Ambasciatori Palace** without the usual event premium pricing. The Rome stay, and Ryder Cup experience, is then bookended with golf resort stays in the perennially popular Tuscany (3 nights) and flavour-of-the-decade Puglia (5 nights). There's also a 2 night stay at renaissance Naples where the tour will enjoy accommodation at the best rated luxury hotel in town.

All up, the tour includes 9 games of golf, with 2 of those games at the number 1 course in Rome. However, since no golfer can live on golf alone, TTGT has included 2 x full day tours within Tuscany and Puglia plus the option of a visit to Pompeii rather than golf in Naples. There's also time at the UNESCO World Heritage town of **Alberobello**, famous for its picturesque trulli houses.

La Dolce Vita is **strictly limited to 18 rooms** and at the time of print only a few rooms remain unsold. There are 3 pricing points from lead in hotel rooms (birdie) to upgraded (Eagle) and then Junior Suite (Albatross). The full tour itinerary and pricing can be accessed via direct contact with TTGT by email (david@trendsettertravel.com.au) or phone 0413 010 638.
