### Detailed Itinerary & Golf Programme

*For those who have not yet visited King Island, this is a golf tour not to be missed. And for those who have already visited, now is the opportunity to challenge King Island over 72 holes of championship golf.*

Trendsetter Travel Golf Tours is delighted to invite you to join our King Island golf tour. This event provides automatic entry into Trendsetter's Singles and 4BBB Golf Tournament, to be held over 4 rounds at Cape Wickham (3 rounds) and Ocean Dunes (1 round). Golfing Couples/Pairs and Singles are most welcome. Couples and pairs will be automatically teamed up as 4BBB partners.

Both courses promise spectacular golf with Cape Wickham currently ranked #2 in Australia (behind Royal Melbourne West) by both Golf Digest and Golf Australia magazines. Ocean Dunes is ranked 13<sup>th</sup> and 15<sup>th</sup> respectively by both magazines.

Trendsetter has booked the entire Cape Wickham resort, comprising 16 identical villas configured as twin or double according to your preference, and singles will enjoy sole use. This accommodation is considered the best group accommodation on King Island. Available accommodation limits our tour to a maximum of 30 golfers (excluding your tour hosts David Cooper & Adrienne Witteman).

You may like to review [www.capewickham.com.au](http://www.capewickham.com.au) for further information regarding accommodation, dining and resort facilities.

Our tour includes:

- \* return flights from Melbourne Tullamarine Airport to King Island
- \* 5 nights accommodation on King Island
- \* breakfast daily
- \* 2 dinners including standard drinks
- \* coach transfers
- \* 4 games of golf including shared cart (compulsory), including prizes, and drinks post golf

Flights to and from King Island will be with Rex Air, which flies a Saab 340B, the largest commercial plane used to fly to the island. The Saab 340 is a Swedish twin-engine turboprop aircraft designed to seat 30-36 passengers and, as of July 2018, there were 240 operational aircraft used by 34 different operators worldwide. Rex is currently the only airline with scheduled flights between Tullamarine Airport and King Island.

While the Saab 340B is the largest plane flying to King Island, we still face luggage restrictions. Checked luggage (your golf bag) is limited to 15 kg and carry-on luggage is limited 7kg. Excess baggage is charged at a fee of \$5.50 per kilogram and is lifted subject to weight restrictions on the aircraft. Should your luggage be overweight, there is a risk that your luggage will be off-loaded and sent on a

subsequent flight, either the same day, or possibly the next day. We ask all participants to be aware of this risk, and payment of your deposit acknowledges your understanding of this limitation.

#### **IMPORTANT!**

**Given you are likely to fly to Melbourne on an airline other than Rex and there is the potential for Rex to alter its flight schedules, we recommend that any return flights you book to Melbourne either have a capacity for flexibility or have a sizeable gap between arrival and departure times of connecting flights.**

Typical December weather on King Island is an average day time temperature of 22 degrees with 9 hours of sunlight. Sunrise is around 5.50 am and sunset around 8.45 pm.

King Island is a remote location and faces certain unique communication challenges. The only mobile phone service on the island is Telstra. Wifi is available in certain public areas of the Cape Wickham Resort but not in guest rooms.

#### **BONUS!**

*For those wanting to play extra golf at Cape Wickham, your green fees are an all-day rate when staying as a guest of the resort*
